CLIENT CONTRACT FOR PARTICIPATION IN RE-ENTRY COURT

1. The Participant understands and agrees that as a condition of his/her overall sentence, he/she will be sentenced to the custody of the Department of Public Safety and Corrections at the Louisiana State Prison in Angola to participate in the Offender Rehabilitation and Workforce Development Program. The participant further understands and agrees that the pre-release phase of the program is a total of at least two years, at least eighteen months of which must be served at Angola.
2. The Participant understands and agrees that after successful completion of the program at Angola, he may petition the Court to be placed on Intensive Reentry Supervision by the Court. The Participant further understands and agrees that he is waiving all divisional issues of Court such that the Judge presiding over Reentry Court has jurisdiction over all matters, including any possible revocation hearings.
3. At the conclusion of the Angola Workforce Development program, in the event that the

Participant has fully performed the terms and conditions hereof, the Re-Entry Court will consider resentencing the defendant to a term of intensive supervised probation, and successful completion of the Intensive Reentry Supervision by the Court of the 19th Judicial District Court.

4. If accepted into Intensive Re-Entry Supervision by the Court, the Participant shall participate fully in a program of substance abuse treatment and counseling as directed by the Re-Entry Court Team. The Participant specifically agrees to report to the Re-Entry Court as required and participate in all activities of the treatment program including, but not limited to, urinalysis testing, group counseling meetings, and such other conditions as may be required until completion of the program.
5. The Participant agrees and consents that information that would otherwise be confidential relating to the Participant's case and compliance with the program will be discussed in open court, and that he will sign all reasonably requested HIPPA releases for release of information.
6. The Participant agrees to pay for his re-entry treatment program. The fee for the program is determined on an individual basis at the time of the assessment by each treatment provider. Every Participant is expected to contribute financially to the cost of treatment services and drug testing. Drug testing will be performed at the current Drug Court testing fee amount. The program shall not be deemed completed successfully until all fees have been paid.
7. At the time of acceptance into the Intensive Re-Entry Supervision Court program, the Participant will be provided with a copy of the current sanction schedule, and handbook.

Sanctions shall be given for violation of the rules and regulations of the Intensive Re-Entry Supervision Court Program. The Participant understands and agrees that failure to appear for court dates, treatment appointments, urinalysis testing, and the testing positive for illegal substances constitutes a violation of the conditions of the agreement. This may result in the imposition of any of the penalties described in the sanction schedule or in termination from the program. The filing of formal charges for any other crime may result in the immediate termination from the program.

8. The Participant acknowledges that he/she will be subject to a risk assessment and other testing and the results will be utilized throughout participation in the Intensive Re-Entry Supervision Court Program. The Participant further acknowledges the results of any such assessments will be entered into the risk assessment system database.
9. The Court is the sole judge of whether satisfactory progress has been made and whether the program has been successfully completed.
10. The Participant agrees and understands that if he fails to successfully complete either the Offender Rehabilitation and Workforce Development Program at Angola or the Reentry Court program at the 19th Judicial District Court, he will be terminated from the program and required to serve the remainder of his original sentence in the custody of the Department of Public Safety and Corrections.
11. The Participant agrees that he will not apply for or accept parole during the pre-release phase of the Reentry Court program. In event he chooses to do so, he will be subject to serve the entirety of the sentence imposed by the Court and subject to the filing of a habitual offender rule, if available, since that right is reserved by the District Attorney until

completion of the pre-release phase of the Re-Entry Court program.

12. The Participant agrees and understands that the pre-release phase of the Reentry Court program is a total of at least two years at the State Penitentiary in Angola. Further, the participant agrees and understands that the District Attorney reserves its right to file a habitual offender rule, if available, during the post-release (probation) period if the participant is revoked or scheduled for a revocation hearing.
